

MAINE
AGGREGATE ASSOCIATION

Membership Message

Dear Membership,

It is with deep regret that I inform you one of our board members and past President, Tom Shaw passed away last week. Tom was passionate about his involvement with MAA and held our association close to his heart.

The family held a small service for Tom Sunday and plan to hold a celebration of his life later this spring.

MAA is planning a tribute for Tom at our annual meeting as well.

Tom was a father, friend, and leader in our industry and his impact will be forever felt. Our deepest condolences go out to his family, friends, and colleagues at Gorham Sand & Gravel.

Sincerely,

Gene Fadrigon III
MAA President
